GENERAL POLICIES

General Operating Philosophy

Clubhouse:

- This is your Club -- please take pride and leave each place cleaner and neater than you found it!
- Remember that this is an active Club in a residential neighborhood; members should demonstrate exceptional courtesy to our neighbors by controlling noise, litter, and taking care not to block their driveways.

- The Club is closed at 10:00 PM, and all premises must be vacated then, except for special events and for return trips from boating outings.
- The upstairs meeting room is closed except for pre-arranged meetings and events. Check with office to arrange a meeting.
- The Club maintains a lost-and-found as a courtesy, but is not responsible for lost or stolen articles. The lost-and-found is located near the pool. Valuables are kept in the office. On the first day of each month, all items in the lost and found will be taken to Youth and Family Services.
- Dogs are generally prohibited from Mercerwood Shore Club grounds and buildings. See Beach rules for early morning exceptions.
- Members are financially responsible for property damaged by members or their guests.
- Caution! Parents are responsible for the safety of their children at all times. Due to the high risk nature of the play areas and water areas, including the pool and lake, children of any age who are not capable swimmers or self-reliant should not be left unattended. Staff is present to help supervise, but does not provide childcare services. Especially in the off-season, when few adults are present on the grounds, parents should not assume children are safe left alone.

Discipline Policy:

Members whose inappropriate activity results in damage to club property, or damage to guest or member property, shall be expelled from the club for a day, a week or a month, depending on the severity of the action, damage or crime. There will be no tolerance for weapons on club property. Any criminal activity shall result in the same penalty. After the third such penalty, the Board shall meet to determine whether the membership should be terminated, in accordance with the bylaws.

Clubhouse Rentals:

- The upstairs banquet/meeting room is available to members and non-members for parties, special events or meetings. Members receive discounted fees for use. Please make reservations at the office.

Guest Policy:

- Every guest to the Club must be accompanied by a member host at all times. This includes houseguests and Nannies.

Guest fees of \$6.00 per day per guest for the pool and per 1&1/2 hour at the Tennis Court will be billed to the member host. Month-long pool guest passes for house guests and nannies are \$25.00.

Each guest may visit the Club only once each week, except for houseguests and Nannies.

- Houseguests must be registered by the member host. Please see office for the houseguest pass. Houseguests may use the Club only when accompanied by the member host.
- Space at the pool and the beach can be quite crowded during busy summer days, so arrangements must be made with the Club office ahead of time when planning a gathering of several guests (e.g. family or friend picnics).

Group gatherings are limited to no more than 15 persons, except for Club functions.

Large group gatherings are not possible on Memorial Day, the Fourth of July, Seafair weekend, or Labor Day.

Groups larger than 15 must use the north end of the beach, to reserve the more active play area for members.

If you plan on having more than 15 guests at the beach you must contact the main office for a beach rental contract. Groups of more than 15 guests may only be scheduled on Mondays-Thursdays between the hours of 11 am and 5pm.

Parking:

- Parking at the Club is extremely limited; please observe posted regulations. We must keep the fire lanes clear (indicated by yellow curbing).
- Parking at the north end of the Beach is for cars with trailers only.
- Bicycles must be parked in the bicycle rack by the pool entrance. At the beach, bikes are to be parked by the restrooms. Bikes parked in undesignated places will be locked by staff or moved to the bike rack and locked.
- Overflow parking is allowed in the parking area north of the tennis courts; please take care not to block private driveways.

The gym is open daily from 5:00 am to 10:00 pm. Obtain the entry code from the office for entry when the office is closed.

Please observe safety rules and clean-up rules posted in the gym.

Juniors between 12-15 years of age may use the gym only under certain conditions; check posted regulations for current rules. No one under 12 may use the gym.
