

MERCERWOOD SHORE CLUB
AFTER HOURS FITNESS AREA USE AGREEMENT

The fitness area is a valuable asset of the Club and we want to make it available to the membership outside of the hours that the Club facility is open and staffed.

In consideration of the privilege of being granted access to the facilities when there is no MSC staff present, I agree to the following:

- Enter and exit by the designated door only
- EACH person entering must have a valid MSC ID card
- Sign in and out (so we know who has been in the building as well as when the facility is being utilized)
- Be sure to close (and lock) all windows when last one leaving
- Turn off lights when last one leaving
- Respect and follow all rules related to fitness area use and access, including:
 - MSC members only
 - No one under the age of 13
 - No one under the age of 16 without adult supervision (present in the fitness area)

I understand that failure to adhere to the fitness area rules and regulations may result in deactivation of my MSC card and the loss of after hours privileges.
