

**Mercerwood Shore Club
Fall 2020
Locker Room Use Guidelines
(beginning October 26, 2020)**

Failure to adhere to these policies will result in the loss of use rights and the possible rescinding of other member privileges.

These guidelines are intended for locker room use relating to *MSC programming (MSC Swim & Dive team, swim lessons, Aqua Zumba, Fitness Center Use, etc.)* for a warm and dry area in which to change

These guidelines do not apply to users such as pool rentals at this time

Access

- Access will be through the locker entry at the bottom of the interior clubhouse stairs
- **Members only, no guests**
- Members should limit their use to the time it takes to change into or out of their swimming / workout gear
- No congregating / socializing in the locker rooms
- There will be frequent cleaning and disinfecting of high touch areas
- Please adhere to social distancing guidelines and maintain a minimum of at least six (6) feet from others
- **The showers will NOT be available**
- Lockers available to store dry clothing, please be sure to wipe down after use

Hygiene

- If you are feeling sick, please do not use the club
- Please utilize sinks and or sanitizing stations to wash hands often
- Masks are required to be worn at all times while using the locker room
